Let's Take a Look Back At January, 2025:

January was a fantastic month at Reedsburg Country Club and 1924 Bar & Grill, filled with great events, friendly competition, and lively gatherings. As we step into February, we want to take a moment to reflect on all the excitement from the past month.

-We were thrilled to **host 10 private parties and banquets** in our event space, welcoming families, friends, and colleagues for special celebrations. It's always an honor to be part of these memorable moments, and we appreciate everyone who chose RCC for their gatherings.

-Winter nights were anything but dull thanks to our **Tuesday Night Cornhole League** and **Thursday Night Pub Trivia**.

Whether tossing bags or testing their knowledge, participants brought energy and enthusiasm week after week. These events continue to be a great way to connect with friends and meet new people, and we love seeing

so many of you join in the fun.

-On **January 18**, we hosted our 3rd **Euchre Tournament**, which drew more than 20 players for a competitive and entertaining afternoon. Thank you to everyone who participated—we can't wait to do it again soon.

-Another highlight of the month was the annual **Radio Auction**, which we proudly hosted from **January 23 through February 1**.

This event brought together local businesses and bidders from across the area, making for an exciting and successful week.

February promises even more opportunities to gather, compete, and celebrate together.

Whether you're joining us for a meal, a game night, or a special event, We Welcome You to be part of all that's happening at RCC.

An Update From Our GM:

Greetings 2025 Reedsburg Country Club Members:

I hope you're enjoying your offseason, wherever you may be! January has been a busy month so far. Between post-holiday parties and the start of the radio auction, we are on pace for our best January revenue yet!

RCC is proud to host the Reedsburg United Fund Radio Auction this year and, hopefully, for years to come.

2024 was another great year for RCC. We celebrated our centennial anniversary, welcomed many new members, and enjoyed an incredible golf season with prime weather. Our membership numbers remain strong—we now have well over 400 members across all categories, and we haven't even seen what the spring will bring yet!

For those of you itching to swing the clubs, I want to remind you that the course is not open yet and will remain closed until conditions are optimal for both our members and the business.

Historically, the second week of April is a good target for opening. Prior to that, we will keep you updated on any potential early opening plans.

The first member event to look forward to as part of your membership is the Member Mixer, our official kickoff to the golf season. It is always scheduled for one of the Sundays at the end of May—be sure to keep an eye

out for the announcement and RSVP when the time comes.

Our new menu launched at the beginning of December, and I encourage you to visit 1924 Bar & Grill at Reedsburg Country Club to support your club and enjoy some great food.

Additionally, we will be sending out member surveys throughout the offseason to gather feedback and improve your RCC experience. Please take the time to complete them!

A club is only made better by the input of its members.

Thank you, as always, for your support of RCC. See you around the campus!

A Note From Our PGA Golf Pro:

Happy New Year:

On behalf of the Pro Shop staff, welcome back to our returning members, and a special welcome to those joining us for the first time! Founded in 1924,

Reedsburg Country Club takes pride in offering exceptional course conditions and a top-notch golf experience. While RCC has always been open to the public, its longstanding success is driven by the incredible community of members who call this club home.

Being part of a club that continually invests in its course and clubhouse is truly exciting. If you're new, you'll quickly see that our membership feels more like a family than a traditional club.

Many of our members have been here for decades and understand the importance of growth, warmly welcoming new golfers into the RCC community.

After 25 years as your Head Golf Professional, my passion for RCC remains as strong as ever.

I love coming to work each day, surrounded by people who care about one another and share a deep love for this club.

Let's make this season one to remember!

-Bob Feller

Employee Highlight:

Meet Our PGA Golf Pro Bob Feller:

Bob Feller earned his PGA Class A membership in 1997 and has spent over 20 years at Reedsburg Country Club as PGA Head Professional. Passionate about growing the game, he has helped members, juniors, and guests improve their skills while attending numerous PGA teaching seminars to refine his instruction.

Under Bob's leadership, RCC launched the National First Tee Program in 2013. Now serving over 100 youth golfers ages 4-17, it is one of the largest programs in Wisconsin, teaching both technical skills and core values like respect, honesty, and sportsmanship.

In 2017, Bob received the PGA Youth Player Development Award for Wisconsin, recognizing his leadership in junior golf.

When not at RCC, Bob enjoys time with his wife, Heidi, the Chief Inspirational Officer (CIO) for #SocialSchool4EDU, his daughter Hannah, and his son Eli.

Board Member Highlight:

Meet Our Vice President Chad Ellett:

Chad Ellett has been a member of Reedsburg Country Club for roughly ten years and often reflects on how much sooner RCC could have been a part of his life. It truly is the place to be, regardless of your golf handicap.

Elected to the board six years ago, Chad is now entering his third term. With over 25 years in the food and hospitality industry, his expertise has helped guide RCC forward.

Chad's primary objective as a board member is to ensure RCC remains profitable and thrives for another hundred years, allowing future generations to enjoy it just as much as members do today. In recent years, RCC has made great strides, including replacing aging grounds equipment—vital for sustaining the club's future.

RCC's talented employees have been key to its growth, making Chad's time on the board both rewarding and enjoyable. It has truly been an honor to serve.
