Inaugural Orange Tee Open a Big Success:

Reedsburg Country Club hosted the 1st Annual Orange Tee Open on September 23rd –24th, and it was a tremendous success.

With 83 rounds played by both men and women from the forward (orange) tees, this fun and competitive event brought great energy to the course—and a great cause.

Thanks to the enthusiastic participation and generous contributions from players and supporters, the event raised \$2,000 for the RCC Legacy Fund.

A special thank you to Kraig Knudson and Brian Strutz of NextHome Innovative Real Estate, who generously sponsored the event by donating prize money and providing tee gifts for all participants.

The RCC team also added a festive touch with a themed orange drink special, created by Luke and the 1924 Bar & Grill staff, which was a big hit all weekend.

Several participants asked about the RCC Legacy Fund, and here's a brief overview:

The RCC Legacy Fund is dedicated to keeping Reedsburg Country Club a premier golf destination in Sauk County.

It allows us to:

- Sustain and elevate course quality with consistent care and modern equipment
- Fuel the growth of youth golf through scholarships, lessons, and program access
- Support our dedicated RCC staff with professional development and educational scholarships

Your support ensures that RCC remains a place of excellence, inclusion, and growth—for members, guests, and future players.

Thank you again to all our players, donors, and sponsors who helped make this inaugural event a meaningful and enjoyable weekend. The Orange Tee Open is already building momentum as a future tradition—and a vital part of supporting the best golf experience in the area.
