Greetings, Members!

As peak golf season winds down, there's still ample opportunity to enjoy the course in 2025. Fall, in my opinion, offers some of the best golfing conditions. Please continue to replace ball marks and divots on the greens, fairways, and tee boxes, especially on the Par 3s.

I'd like to extend a sincere thank you to our seasonal staff, our "summer warriors" who return from school. Their dedication in course maintenance, the pro shop, and food and beverage is crucial to our commitment to the membership and upholding RCC's reputation. Our summers would be much more challenging without them, so please take a moment to thank them when you have the chance.

Our end-of-season promotion, allowing you to pay 2025 rates in full for your 2026 membership, will launch in a few weeks. If you know anyone considering the best membership in South Central Wisconsin, encourage them to join! They'll receive the remainder of 2025's golf, cart, and range access included with their 2026 membership.

Here are a few highlights for the fall:

* The pro shop is currently offering an excellent Buy One Get One (BOGO) deal on apparel.

* By December 1, 2025, we will be installing new POS and Tee Sheet software. This enhanced system will be more interactive, improving your member experience and streamlining club operations. While we can transfer much of your existing information, we encourage everyone to ensure their account is reconciled before December 1 and the new system rollout.

* We also have several quality red wine labels that are not regularly poured. If you are interested in any of these, please let me know. Additionally, one of our members has connections to a new wine label we are featuring, Sognefjord Wines in Baraboo. Look for them on our new beverage menus, available in the coming weeks. And with Oktoberfest season already here, keep an eye out for seasonal taps!

Finally, this golf season will be concluding before we know it. Our Pro Shop and Golf Course staff have done an outstanding job navigating a busy season with numerous weather challenges. Please show your appreciation if you see them; they've contributed significantly to our course and your experience.

Cheers,

-Luke Whitaker
